OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,
Bangalore, 10th August 1901

From

H J BHABHA, Esq., M A,
Inspector General of Education in Mysore,

To

H V Nanjundayya Esq, M A, M L,
Secretary to the Government of Mysore,
General and Revenue departments,

SIR,

With reference to Government order No Ed 7. 19-96 dated 22nd March 1898 sanctioning a sum of Rs 800/- for the amount of compensation fixed for the site selected for the new building of the Channapatna High School, I have the honour to inform you that the Comptroller in his docket No 6931/1081 dated 21st June 1901 addressed to this office informs me that the amount of Rs 800/- was debited in the accounts of his office to the P. W D in the year 1897-98 and that it was subsequently found that this amount was debitable to the Educational Budget in accordance with the Government order quoted above. In the statement of expenditure on School Buildings

Please see Sl No 124 of the file

received from the Examiner, D P W Accounts for the official year 1897-98 the amount was taken as spent during that year. It is now proposed by the Comptroller that the amount not having been debited to the Educational Budget of 1897-8 in his office accounts, it may be charged to the accounts of the year 1900-1. It is not possible at present before the statement of expenditure incurred by D. P W during 1900-1 on Educational buildings is received to say exactly what is the amount of savings under "Taluk School Buildings" in the State Funds Budget of the Education Department for the last official year 1900-1 It is almost certain however that there will be savings enough to cover the extra cost of Rs800/- Under these circumstances I request that Government will be good enough to sanction the debit of the above amount of Rs-800/- to the Educational State Funds Budget of the last official year 1900-1901 under "Taluk School Buildings."

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Inspector General
